The diagram shows a table with three columns: Registered Address, Recipient Contact Information, and Other Data (Recipient Name). The table has 8 rows. Each row contains a value in the first column, an arrow pointing to the second column, and a value in the third column. The first seven rows have arrows pointing to the second column. The last row has arrows pointing to the first, second, and third columns. The table is bounded by a vertical line on the left and a horizontal line at the top. The first column is labeled 'Registered Address' and '222'. The second column is labeled 'Recipient Contact Information' and '224'. The third column is labeled 'Other Data (Recipient Name)' and '226'. The data in the table is as follows:

Registered Address <u>222</u>	Recipient Contact Information <u>224</u>	Other Data (Recipient Name) <u>226</u>
999-999-9900	111-111-1100	John Doe
